MANAGEMENT OF GRANT FUNDS - 2003 FEMA SUPPLEMENTAL GRANT FOR COMMUNITY EMERGENCY RESPONSE TEAMS (CERT) (ALL SUPERVISORIAL DISTRICTS AFFECTED) (3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Chief Administrative Office, Office of Emergency Management to request and manage up to \$236,000 in 2003 Federal Emergency Management Agency (FEMA) Supplemental Grant funds from the Governor's Office on Service and Volunteerism (GO SERV).
2. Approve the attached signature resolution which authorizes the Chief Administrative Office, Office of Emergency Management to manage this grant through December 4, 2006.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The 2003 FEMA Supplemental Grant for Community Emergency Response Teams (CERT) is part of a multi-year grant program to assist local governments to build volunteer capability for CERT. This is the second grant year. This grant is part of a nationwide Homeland Security effort to engage citizens in volunteer efforts aimed at helping their communities become safer, stronger, and better prepared for preventing and handling terrorism, crime, and disasters. The 2003 grant differs from last year's grant as it does not include funding to support Citizen Corps Councils. The 2003 grant funds will be used to support local CERT programs to increase capacity and/or create new CERT programs within the Los Angeles County Operational Area, focusing on the most underserved communities. In California, the overarching goal of this grant is to integrate CERT programs into the existing Standardized Emergency Management System (SEMS).

Implementation of Strategic Plan Goals

This grant addresses the following County Strategic Plan goals:

- Goal No.1: *Service Excellence*, Strategy 1, Develop standards for user-friendly service by providing support to local governments that will increase their ability to build and maintain volunteer CERT teams.
- Goal No. 3: *Organizational Effectiveness*, Strategy 3, Collaborate across functional and jurisdictional boundaries by supporting the existing Operational Area-wide CERT Advisory Committee whose mission is to oversee the development of CERT programs throughout the 88 cities and unincorporated areas of Los Angeles County.
- Goal No. 4: *Fiscal Responsibility*, Strategy 2, Invest in public infrastructure by providing grant funds to continue supporting the Los Angeles County Fire CERT program.
- Goal No. 5: *Children's and Families' Well Being*, Strategy 3, Engage individual departments and Operational Area partners in their planning efforts towards achieving the five outcomes for children and families by implementing the CERT programs to enhance the safety and survival of families following both "manmade" and natural disasters.
- Goal No. 8: *Public Safety*, Strategy 3, Expand the capacity of County departments and Operational Area partners to utilize CERT volunteers to assist in preparedness and response efforts for terrorism and other disasters.

FISCAL IMPACT:

This is a fully funded reimbursement grant from the Federal Emergency Management Agency. There are no cost-share or matching fund requirements.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Governor's Office on Service and Volunteerism (GO SERV) has provided the Los Angeles County Operational Area with specific guidelines for the administration and management of this grant. These guidelines detail the activities and expenditures that are allowable.
